

Technology Request Form

Please use this Technology Request Form to submit your request for a campus network. Be descriptive; let us know your needs and a bit about your school campus. We are here seven days a week, going as fast as we can, reading through each request sent to us. Please be patient. We don't accept calls for requests at this time due to the high volume of campus network requests. Please contact us today through our online form for a faster response time.

If you would like to apply in writing, please complete this form and send the request to *191 Sand Creek Road, Suite 202C, California 94513, United States of America.*

If you are chosen to receive a campus network, you will be contacted within six weeks of us receiving your mailed application. If you have not been contacted within six weeks, feel free to reapply.

Due to the high number of applications and limited resources, we may not be able to donate to every applicant. If you are chosen to receive a Campus Network, you will be contacted within six weeks of us receiving your mailed application. If you have not been contacted within six weeks, feel free to re-apply. Please help reach out to local governments, individuals and /or businesses in your community to donate their technology to Bits2Bytes, Inc., in order to help build our inventory and resources to accommodate all requests.

Please be patient, and we will try to help as many schools as possible.

Thank you.
